- Team leaders, please make copies of this information to hand out to your team members.
- Preexisting conditions: any injury or illness contracted, manifested, or for which treatment/medication was prescribed 2 years prior to the effective date is *not* covered.
- **The aggregate limit of liability is \$10,000,000 per occurrence.**
- In the event treatment was sought or medication prescribed for an injury or illness while outside the U.S., this policy shall become primary and benefits paid as the insured's primary insurance policy until such time as the insured can return to the U.S.
- Treatment must begin within 60 days of injury or onset of sickness.
- Covered expenses are regular and customary charges for services and supplies incurred as the result of and within 52 weeks from 1) the date of the accident causing the injury, or 2) the onset of the sickness.
- Claims must be filed within 90 days of onset of sickness or injury.
